Brand new this year, the deck at SweetWater is definitely sweet. Order the Rootbeer Float-ini (vodka, amaretto and *vanilla ice cream*) or the Pineapple Upside Down Cake (coconut rum, pineapple juice and grenadine), dive into some awesome apps – we suggest the homemade calamari – and watch the Phillies on one of the two flat-screens. Of course, you could just take in the gentle breeze, and if the sky is clear, get a cool view of the Philadelphia skyline.
